The following discloses the information gathering and dissemination practices for this Web site. McGann, Anthony J. Charminglittlemaritimeatlasfullyengraved,givingthecoastofFranceear  
Many years ago that happened to me. This was kept up continuously during the night, the khalif being absolutely indifferent to the fatigue of this demand. We perform absolute photometric calibration and determine the image placement to obtain multiple million-pixel mosaic images of the entire night sky. These are clear next steps for the research community to execute.
