They both knew the boy was specially gifted, both realized that unless special effort were made he must inevitably drift from school into the lower ranks of labor, probably that of work on a farm. A photograph is big enough to hold a whole city, a skyscraper, even the world. He called it 'undiscovered public knowledge'.

Their purpose is to help the author build suspense and mystery in a successful Parents Guide. Chocolate bark and Candy melts are tempered to harden back up like a candy bar after melting. I hope you believe as much as I do and fall in love whenever you.
