The final and irrevocable parting of ways occurs precisely at the point of transition from drama to opera - or, more generally but also more vaguely speaking, from literature to music; for the ethical is chained to the primary world by means of realism and psychology, whereas the esthetic belongs, ideally, to the domain of pure spirit which constitutes a world of artifice where ethical categories are no longer applicable. Teresa's most extensive description of the possible levels of friendship is found in her Meditations on the Song of Songs. I am currently building a garage project for myself and can experiment.
