Not a shot fired, and we were able to walk about in the open, even after the mist rose. If they were so in love and so in tune, I just don't think it would have happened the way it did. It was as if Coben was paranoid that not enough excitement existed in the book so he had to keep throwing stuff at the book, everything but the kitchen sink.

The right songs can give you ideas on different scenarios and chapters, and how characters might feel about these adventures, themselves or even other characters around. There are cities with their faces to heaven, and some with their faces to earth; some have a way of looking at the past and others look at the future; some notice you if you come among them, others glance at you, others let you go by. Guardando, sentii la gola farsi secca. Wife of Fritz Thiel. A great read. I want it. Then take your first draft chapter by chapter.
Gerspach, A.
