In addition to scripted comedies and tragedies, Parisians were also great fans of the Italian acting troupe who performed their Commedia dell'artea kind of improvised theater based on types. It marks the shifting of poetical interest from castles to walled towns, that Jean de Meung, his verbose and encyclo-pasdic successor, whose virtue consists in his irrelevance, should have addressed a public accustomed to misogynous diatribes and the abuse of idle magnates and covetous monks. Her intriguing written style and decently created plots spins around the narrative of star crossed darlings, set in Tennessee in the little town of Doyle.
