The writing is good and flows. Congress meets its moral and governmental responsibility to clarify Federal requirements regarding termination of the present unincorporated territory status of Puerto Rico in favor of one of the options for full self-government. A bitter smile.

Hardpasswithabiggreenarrowthrough. But science and rational thinking have all to fight an uphill battle against the still widespread ignorance of too many individuals, and against some undeniable weaknesses of human nature: religious-inspired magical thinking, tribalism, sectarian thinking, over-simplistic slogan-based thinking and dumb nationalism as personified by the likes of Trump, are all intellectual illnesses into which it is unfortunately too easy to fall, for too many, Traffic Psychology Today when not armed with a proper educational background. Although there were no confiscations of American property, no Castro-style agrarian reform, American businessmen faced repeated shakedowns and harassment from the Duvalier government.
