If the coming into existence of the Nazarenes, a phenomenon undeniably attested by the New Testament, rips a great hole in history, a hole of the size and shape of the Resurrection, what does the secular historian propose to stop it up with?. These are sub-divided into lighter-hued zones and darker belts. Baylor University Diana R.

Journal of the American Psychoanalytic Association 6229-  
Ackermann, P. They are subtle and thoughtful, shining light into dark corners, presenting to the reader a rich slice of

contemporary life. In the present article we shall consider these ideas in an historical context, and proceed to argue that a major paradigm shift is well on the way to being accomplished. White The liberty of man consists solely in this: that he obeys natural laws because he has himself recognized them as such, and not because they have been externally imposed upon him by any extrinsic will whatever, divine or human, collective or individual.
